Dear Community User,

We are having some difficulties with the Bexley Road car park. This is due to the fact that there are more Community users, consisting of:

- Families of Students at Clemton Park Public School (CPPS)
- Families of children who attend Clemton Park Childcare center (Long Day Care)
- Families of children who attend Before and After School care
- Families of children who attend Greek School in the afternoon
- Families of children who attend Chinese School in the afternoon
- Band Tutors
- All Staff

and some users are confused about the rules of using the car park or are just finding it difficult to abide by these rules. Due to this, a committee was formed and decisions have been made re the use of this area. Please note these rules are different to the previous laid out rules. These have been endorsed by all Community Users and will commence as of now.

The Committee consisted of:

- | | |
|-----------------|--|
| • Angelica Lapi | Principal CPPS |
| • Paul Robinson | DP of CPPS |
| • Gowrie | Director Long Day Care |
| • Katerina | Representative of Greek School |
| • Xin Qiang Li | Representative of Chinese School |
| • Maria | Representative of After and Before School care |

It was decided that the following rules will need to be followed to ensure safety of all users. Please abide by them. If you are unable to I will need to ask you to leave the car park and not use this exceptional convenience. Not many schools have this facility so let us not abuse it.

- CPPS staff will ONLY use grass section and section after the indicated line "Staff Only"
- CPPS Parents will not park at any time in the car park- only use drop off circuit.
- When using the "drop off" or "pick up" circuit please move forward to the first space, if vacant. This allows two families at a time to use the circuit appropriately and efficiently.
- CPPS Parents will not enter the car park for "pick up" until 3pm- as students will not be there until then.
- If your child at "pick up" is not waiting for you, you MUST exit the car park, only turning left (NO RIGHT TURN) and come around again.

- Long Day Care staff will use grass area for parking or outside
- Long Day Care signed parking spot will remain vacant all day- only drop off and pick up- 5 min parking max. These spots will be changed to better suit the safety of the students and parents of the school community.
- After/Before school care staff will use grass area for parking or outside
- After/Before school care signed parking spot will remain vacant all day- only drop off and pick up- 5 min parking max
- Greek School staff will use grass area for parking or outside
- Greek School parents will not park at any time in the car park- only use drop off circuit.
- Chinese School staff will use grass area for parking or outside
- Chinese school parents will not park at any time in the car park- only use drop off circuit.
- Visitors for Visitors only
- Casual teachers will park on the grass; if no spots are available they will need to park outside.
- Band Tutors will not use the car park, unless a spot on the grass is available.
- This is ALL the time (no longer times as communicated previously).
