

Welcome dear parents, students and community,

Clemton Park Public School is an outstanding school. Our excellence is underpinned by dedicated and dynamic teachers supported which is supported by an active community.

The school's supportive environment equips each child to function and succeed in a changing and challenging world. The school has a state of the art facility. This is evidenced by the spilling over of our student enrolments.

Our teachers are committed to striving towards academic excellence for all students, preparing them for technological change and fostering school community commitment and morale. We cater for individual needs by providing extension or remediation as required, ensuring students taking responsibility for their own learning and behaviour and build upon the school's traditional strengths in discipline, student well-being pride and parent participation.

Clemton Park Public School services students from the local community and beyond. It comprising an executive staff of 1 Principal, 1 Deputy Principal and 4 Assistant Principals. Current student enrolment is over 600, 85% of whom are from language backgrounds other than English. Our school has a high reputation in the community for scholarship, sport, student behaviour and the commitment of the teaching and ancillary staff to the welfare and the development of the pupils.

Our school has an exceptional educational focus encompassing opportunities for all students across an extensive and rich curriculum which is tailored to the individual learning styles. We have been doing this for many years.

Our many diverse extra-curricular activities give our students a well-rounded and comprehensive education. The varied enrichment programs give opportunities for all students to succeed and be part of the school community throughout their school life. Such programs include Leadership (Prefects, School Captains, Student Representative Council, Library Monitors, Class Captains & Environmental Specialist Team) S.O.L.E, Creative Arts, Drama, Dance, Debating, Ballroom Dancing, Public Speaking, Choir and Band.

The school embellishes its motto of "**Play the Game**" with a comprehensive sport program. We are actively involved in interschool competitions, gala days, district and regional competitions. We also provide inclusive school based sports coupled with a fitness program to ensure positive health outcomes. In primary years, students attend annual sport and recreational camps which complement the physical and health education conducted at school.

Our school is extremely well resourced and provides students with access to the latest technologies with two modern computer laboratories, interactive classrooms, two video conferencing facilities and skilled teachers. At Clemton Park Public School we were the first school in the state to effectively use wireless connectivity across the whole school with an abundance of innovative up to date software to enhance student learning.

Our students, staff and community enjoy a friendly and caring environment believing and proudly exemplifying our school values.

Clemton Park's vision is "Pursuing Excellence". We must always remember this in all we do. Every individual community member (students, staff and parents) endeavours to pursue excellence at all times. This is made possible through our major values of:

**RESPECT** - Treating everyone as we want to be treated ourselves

**CARING** - Living in Harmony; Being fair

**CO-OPERATION** - Tolerance & Participation

**RESILIENCE** - Being able to „Bounce Back“ after set backs

**COMMITMENT** - Our Best; Raising the Bar

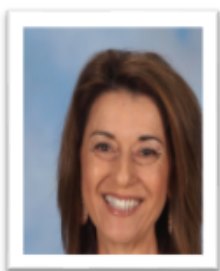

**FREEDOM** - Democracy & Rights for all

Your child will have a life-long love of learning instilled in them through the passion and enthusiasm for learning modelled by their teachers and their peer group.

Students will have a vast range of co and extra-curricula opportunities to seize hold of, access to a broad array of activities.

Students will understand themselves and be able to empathise with others. They will develop resilience - the capacity to bounce back from life's setbacks to strive for continued excellence. They will take the memory of being happy, accepted and valued. They will have made life-long friendships and they will find school challenging and fun. They will have a keen sense of social justice, a moral conscience and be an articulate voice for the betterment of society.

At Clemton Park School we educate the whole child of today to become the successful person of tomorrow. A graduate of Clemton Park Public School leaves as a child of competence, conscience, commitment, compassion and confidence.
