LEADERSHIP

Last Friday, our leaders were presented with their badges and this week the leaders in our school completed their leadership training. All our leaders have been asked to complete a leadership contract. Please ensure that these are returned to school.

SCHOOL PHOTOGRAPHS

School Photographs will be held on Wednesday 17 March this year. More information will come home closer to the event.

TOP FIELD AND BASKETBALL AREA

We are investigating doing some work in top field and the basketball court area. For top field we will look at fertilising, top dressing and aerating in spring time. In the basketball court we are looking at getting the drainage fixed and tiered seating around the back and side of the court. Down the track we will look at resurfacing the court and upgrading the cricket nets. The SRC and EST may have a few ideas with that space as well.

MEET THE TEACHER WEEK

Thank you for the meet the teacher week. Although it may not have been ideal, there was still a great number of parents who arrived.
